

## KSV's welcome process

### Your first meeting with KSV online

- You can find guidance of how to join KSV on our website
- View information about KSV, facilities, practice schedule, and teams
- Find contact information - KSV has a welcome ambassador responsible of welcoming new members
- Find welcome folder

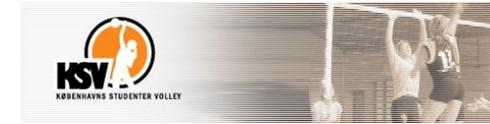

### Your first contact with KSV

- KSV's welcome ambassador is contacted and will send information about KSV's welcome policy, about your first practice, give contact information, and give guidance about KSV's buddy concept.
- Often you will communicate back and forth about your level to make sure to find a good match from the beginning.
- Our welcome ambassador will inform the team you will start on, before your first practice and choose a buddy

### Your first practice - Meet your buddy

- Your buddy welcomes you at your first practice
- Your buddy guides you through the entire practice and introduces you to the other team members and the coach
- Your buddy provides you with information about KSV (Duties, mix practices, DSM, the KSV board, member's fee)
- Your buddy makes sure you quickly feel as part of the team, understand the structure, and know how to communicate about practices (holdsport, facebook group).

## About KSV

First and foremost welcome to København Studenter Volley also known as KSV

### *Values*

KSV is an international club with a lot of nationalities gathered together. The language will therefore often be a mixture of Danish and English depending on numbers of internationals. KSV think it is important to create an environment that gathers KSV as one club. Our welcome process is hence a combination of solidarity, curiosity, fun, and volley enthusiasm.

## Welcome policy

### *Objectives*

The objective with this welcome policy is to present the process of introducing new players to KSV. When you start as a new player in KSV it is important for us that you get guidance about all offerings within KSV and our values. Another objective is to make sure to find the right team to match your level and ambition. We hope you quickly feel part of a united club.

Every year we welcome new members for the first practices in the beginning of the season. KSV is a club, which offers much more than just volleyball. We have a list of events throughout the season that ensures fun and interaction across teams. We get together through parties, Friday mix volley, tournaments and other spontaneous events.

The goal of the KSV Board is to make it easy and transparent for new members how to join KSV. It is furthermore a goal to spread the responsibility of welcoming new members to KSV members with a wide knowledge of KSV in general across teams. It is every KSV member's responsibility to make sure you feel welcome. Every member knows about our welcome policy which is viewed on our website.

## Member's fee

The member's fee is collected in September and you have the option to pay for the entire season at that time or in two rates; September and January. Prices and account details can be found [here](#)

## Online

On the club's [website](#) you'll find our practice hours, news and more

On our [official Facebookpage](#) all our evnets like Friday Mix Volley, Parties and the like are listed.

On the Club's [internal facebookpage](#) you can find and post pictures from games, funny summaries or picture of clothes left behind.

## Social events

### *Friday Mix Volley*

The club has a high focus on the social aspects in a club. This is also why we meet up the last Friday in a month to play some fun mix volley across the teams and levels. This is a great way to get to

know new people in the club. We play at Idrætshuset on Østerbro at 8PM and usually go out for a beer or two after :) Sign up can be found on our Facebook page under [Events](#).

### *Parties*

During the season KSV has two-three parties; Our annual Christmas Party and a Bring-your-buddy Party where the members can bring along some friends. All our social events are planned together by the teams.

Besides these two parties, KSV holds the annual DSM Tournament. This two day Tournament takes place each year in the beginning of April and there is an awesome party Saturday evening as well :D

### *Summer beach volley*

The indoor season ends in May. KSV's teams are offered to rent a beach volley court in Ryparken throughout the summer. The teams often say yes to this offer to enjoy the Danish summer, get exercise and keep the team cohesiveness.

That's all you need to know for now and the rest your new team and club mates can help you with :) See you in the gym!
